The State of California requires that students enrolled in a non-public school be assured an opportunity to communicate privately and confidentially with members of the IEP team, and that we make available to students our policy regarding this communication. The policy is presented below for your review. Please manage this information the way you feel is most appropriate for your son or daughter, then sign the form and return it to school with the other enrollment information. This form is required for enrollment at NewBridge. The Ed Code is cited here:

CA Education Code 56366.12. "A nonpublic, nonsectarian school shall ensure private and confidential communication between a pupil of the nonpublic, nonsectarian school and members of the pupil's individualized education program team, at the pupil's discretion."

Private, Confidential Communication

Students enrolled at NewBridge School through their school district have the right to speak privately and confidentially with any member of the IEP team. If you wish to speak to one of these professionals, simply inform Mr. Mayo or Ms. Sheftic, and we will arrange a private meeting for you.

I have received a copy of NewBridge School's Private, Confidential Communication Policy and reviewed it with my son or daughter.
