Dear Parents,

Publication of the NewBridge School Student Roster enables students' families to conveniently contact one another if they desire. Individual listings in this roster are absolutely voluntary, and the roster is to be considered strictly confidential, for the exclusive use of our school families.

Listings are grouped by class and identified by the teacher's name. Listings include the student's name, telephone number, address, and parent(s)' name(s).

Please complete this form---whether or not you want to participate in the roster---and return it to the school by with the other enclosed documents.

Thank you,

NewBridge Staff
